City of Chicago Hosts Pre-Bid Conference for Demolition Package #2

The City of Chicago is in the process of issuing bid packages for Demolition Services in the Southwest Land Acquisition area of the O'Hare Modernization Program (OMP).

Three of the demolition packages (#1, #2 and #5) are currently out for bid to the 10 Class "A-CBD" and Class "A" Pre-Qualified Demolition contractors, as qualified by the City of Chicago Department of Buildings (Specification #68798).

A Pre-Bid Conference will be held for Demolition Bid Package #2 on Thursday, January 7, 2010 at 10:00 a.m. In conjunction with the Pre-Bid, interested subcontractors are invited and encouraged to attend an informal meet and greet that will begin at 9:00 a.m. prior to the formal program.

This will provide an opportunity for potential subcontractors to meet with these Pre-Qualified Demolition firms.

The Chicago Department of Aviation (CDA) is self-supporting, using no local or state tax dollars for operations or capital improvements at O'Hare and Midway International airports. Together, Chicago's airports generate more than \$45 billion in annual economic activity and create 540,000 jobs for the region. Please visit www.flychicago.com to learn more about the Chicago Department of Aviation.

The CDA continues to incorporate and expand sustainable initiatives for airport planning, operations and maintenance, concessions and tenants in accordance with the CDA Sustainable Airport Manual (SAM), released in August 2009. To view case studies, lessons learned and new technologies, and for more information on the SAM, please visit www.airportsgoinggreen.org.

The O'Hare Modernization Program (OMP), introduced by Mayor Richard M. Daley in June 2001, transforms O'Hare's airfield from an outdated system of intersecting runways into a modern parallel runway configuration. The program will reduce overall delays at the Airport by 79 percent, and bad weather delays by 95 percent. It will create 195,000 new jobs and \$18 billion in additional economic activity each year. Please visit www.oharemodernization.org to learn more about the OMP.
